Lecture at Second Congregational

Church.

The lecture on Thursday evening at the Second Congregational church is the first of three for which Broadway church and the Second unite. They have been prepared by the Congrega-tional tercentenary commission in view

of the 400th anniversary of Protestant-ism and the approaching 300th anni-versary of our own body, and promise to be of exceptional interest. The re-maining lectures (Oct. 11 and 18) will be given at Broadway church.

Selected as Alternates

The following men, Earl R. Spicer, 29
Otrobando road, Frank P. Huntley,
East Great Plain and James E. Hynds
188 Boswell avenue, have been selected
by the local exemption board to act
as alternates in case of any vacancies
occurring in the list of drafted men to
leave this city Thursday. These three
men will take the places of any who
have been called and fail to appear
from any cause, such as sickness.

The body of Mrs. Charles Stewart who died in Stafford arrived here on

Tuesday morning and was taken in charge by Undertakers Church and Allen. Relatives accompanied the body here. Burial took place in the

cemetery, Preston, where Reviolen read a service at the grave,

from any cause, such as sickness. Buried at Avery Cemetery.

Miss Nettie M. Artley, matron at the state tuberculosis sanatorium, Nor-wich, is spending two weeks' vacation at her home in Pennsylvania. That the town of Lebanon is com-paritively free from contagious dis-ease during the past year is the state-ment of E. L. Danielson, M. D., health Mr. and Mrs. Gerard Ranger enter-tained friends Friday evening at their home on Division street, it being the fifth anniversary of their marriage. Mr. and Mrs. William R. Perkins motored to Camp Devens, Ayer, Massi this week to visit John Kane, who was formerly in Mr. Perkins' employ

ment of E. L. Danielson, M. D., health officer, in his annual report.

My report this year will be brief says Dr. Danielson. There have been very few cases of contaglous diseases reported this year: two cases of measles, two cases of scarlet fever, and one case of diphtheria. These cases were promptly placarded, quarantined and fumigated. There were no deaths, and the cases were all confined to the houses where they were first seen. The antitoxin, in curative and protective doses, was promptly used in the family where the case of diphtheria occurred.

Although it was predicted that in-

Kills Catarrh Germs

Breathe Hyomei-A Remedy Free · From Harmful Drugs.

Sold Under Druggists' Guarantee

Catarrh is an inflammation of the harge.
The inflammation is caused, some physicians say, by the pernicious ac-tivity of little germs or microbes that: lodge in the folds and crevices of the mucous membrane. Catarrh can be ended by killing

these germs.

Medicines taken into the stomach may act on the blood and tone up the system, but it is not believed that they can destroy catarrh germs.

Sprays and douches are good as far as they go, but they do not go far enough. No liquid can reach the lower throat or lungs, neither can a liquid penerate into the folds and crevices

The germs can be reached by HYOMEI, a soothing antiseptic which
you breathe into the lungs.
HYOMEI, breathed through the inhaler that is in each outfit or as a
vapor acts quickly; the soothing effects
are soon noticed. are soon noticed.

HYOMEI is recommended for any disease of the nasal passages and throat where inflammation is present.

It is effectively used for colds, especially the vapor treatment, which is often used to break up a cold over night. It is also used for coughs, sore

throat, croup and asthma. Hyomei is guaranteed. If you purchase HYOMEI and are not satisfied we will refund the money. The Lee & Osgood Co.

promptly. They will thus aid in a The names of the men who trave gone out from Norwich in the army are being collected by the town decouncil for the honor
